Meeting called to order at 8:08 a.m. by Richard Smith.

- M/S/P for September 2022 Minutes.

**ANNOUNCEMENTS & REQUESTS FOR FUTURE AGENDA ITEMS**

- Discussion of Great Washington Shake Out, muster stations and emergency evacuation plan in the event of an earthquake.
- Request for work that other countries are doing to standardize bicycle facilities.

**PUBLIC COMMENTS**

- Discussion of lightweight E-Bikes.
- Reading of an email from Tyler Rourke regarding climate change and transportation.
- Discussion about the safety on roads in Everett and higher speed roads.
- Suggestion of concrete curbs for bike lanes. Discussion of the hierarchy of bicycle facilities depending on the street classification and speed.
- Request to shift thinking away from car-based transportation and how to design things to prioritize people who aren't in cars.
- Request for Planning Division to come speak with TAC.
- Discussion of the extension of the Everett Light Rail.

**ENGINEERING REPORT**

- Pavement Maintenance Overlay Project – all paving and pavement markings are complete. Still some casting adjustments and joint sealing.
- Interurban Trail to YMCA Project - Flashing crosswalk installation is complete except for the beacons. Waiting for pole delivery in early November.
- Water main replacement in the Claremont neighborhood has been delayed due to pipe delivery issues. Projected notice to proceed is November 7<sup>th</sup>.
- Upcoming Fleming St bicycle corridor project – Expect opening of construction bids November 15<sup>th</sup>.

- Freight Mobility Phase 2 Project – Currently collecting data to study alignment alternatives prior to the start of project development. Completed study expected next year.
- US 2 I-5 Interchange Study – first Executive Team Meeting 31<sup>st</sup> of October.
- Moving forward with requests for qualifications for a firm type, size and location study of a bridge planned to come off east end of Everett Avenue.

### **TRAFFIC ENGINEERING REPORT**

- Photo Enforcement – Purchasing Department is still negotiating with top scoring vendor to put together a contract. Expect contract before Council in November or December.
- Follow up discussion about Week Without Driving.
- Bicycle Projects:
  - Active Connections California St. – Phase 1 of 2 phase project.
  - Active Connections Fleming Bicycle Corridor - Bicycle Blvd for 41<sup>st</sup> and Madison.
  - Active Connections – Madison Street.
  - Active Connections Fulton St. – Everett to Pacific.
  - Active Connections Wall Street Connector.
- Discussion of process for requesting stop signs.
- Discussion of traffic volumes due to housing developments in North Everett.

### **POLICE REPORT**

- Council approved Interagency Agreement with Target Zero.
- One motor officer to return to the Traffic Safety Unit to provide more effective enforcement.
- Discussion of long trucks parking downtown hanging into traffic and parking requirements.

### **TRANSIT REPORT**

- Outreach for service improvements will be posted online October 26<sup>th</sup> and online survey will be open. Service changes are determined by comments from customers, drivers, and observations in the environment.
- Overview of changes/additions to Service Routes.
- Taking possession of 10 more electric buses. Charging stations will be constructed over the course of next year.
- Real time signage remodel at Everett Station and adding real time arrival and departure information.
- Bezos Academy is built at Everett Station and will open around March.
- Study on on-demand service will start next year.
- On-demand bike lockers at Everett Station located by the Customer Service office.

### **AGENDA ITEMS**

- Presentation of Agenda Item 1: Revive I-5 Everett Recap and WSDOT 2023 Projects.
- Agenda Item 2: Photo Enforcement: Current State Laws and City Code will be presented next meeting.

**Adjournment:** 9:51 a.m.

**Next Scheduled Meeting: November 17, 2022**
